C·R·I CENTRE DE RECHERCHE SUR L'INFLAMMATION

Symposium

Microenvironment, Cellular and Inter-Organ Crosstalk: Molecular Mechanisms to Chronic Disease

Friday 27 November 2026 — 18th Arr. Town Hall - 1 Pl. Jules Joffrin, 75018 Paris

---

8:45 - 9:15 Coffee reception

9:15 - 9:30 Welcome and opening remarks

9:30 - 10:45 SESSION 1

Host–environment interface: exposome, nutrition and microbiome in chronic disease

Chairs: Arnaud Mailleux, Maude Le Gall

- **Björn SCHRÖDER** — Umeå University, Sweden
- **Sophie LANONE** — IMRB, Créteil, France
- **Laure BINDELS** — UCLouvain, Belgium

10:45 - 11:15 Coffee break and posters

11:15 - 12:00 KEYNOTE 1

Mathias HEIKENWÄLDER — German Cancer Research Center, Germany

Chairs: Sophie Lotersztajn, Valérie Paradis

12:00 - 12:30 ROUND TABLE

Biomarkers and translational valorization

- **Pierre LAUNAY** — Inflammation Research Center, Paris, France
- **Giuseppina CALIGIURI** — Université Paris Cité, France
- **Mathieu COLLIN** — Inserm Transfert, France

12:30 - 14:00 Lunch and posters

14:00 - 15:20 SESSION 2

Inter-organ communication in chronic inflammatory diseases

Chairs: Emilie Viennois, Nicolas Charles

- **David MOULIN** — University of Lorraine, Nancy, France
- **Jörg DISTLER** — Heinrich-Heine-University Düsseldorf, Germany
- **Camille COHEN** Young PI — Inflammation Research Center, Paris, France
- **Georges HELOU** Young PI — Inflammation Research Center, Paris, France

15:20 - 16:05 KEYNOTE 2

Maria Cinta CID — IDIBAPS, Barcelona, Spain

Chairs: Bruno Crestani, Luc Mouthon

16:05 - 16:30 Coffee break and posters

16:30 - 18:00 SESSION 3

Microenvironmental plasticity in inflammation and cancer

Chairs: Cécile Haumaitre, My-Chan Dang

- **Dieter SAUR** — TUM School of Medicine and Health, Munich, Germany
- **Iván BALLESTEROS** — CNIC, Madrid, Spain
- **Ilse ROOMAN** — Vrije Universiteit Brussel, Belgium
- **Etienne BECHT** Young PI — Inflammation Research Center, Paris, France

18:00 - 19:45 Cocktails in the conference room

20:00 Speakers dinner
